

## Instructions Demographic Analysis Assignment

As indicated in the syllabus and weekly agendas, you have to complete a demographic analysis.

Start by going to the following web site <http://www.factfinder.census.gov>

Starting on week-four you will need to log on to the site once a week, and note the **U.S. Population Clock**.

You will also need to **Get A Fact Sheet for your community**.

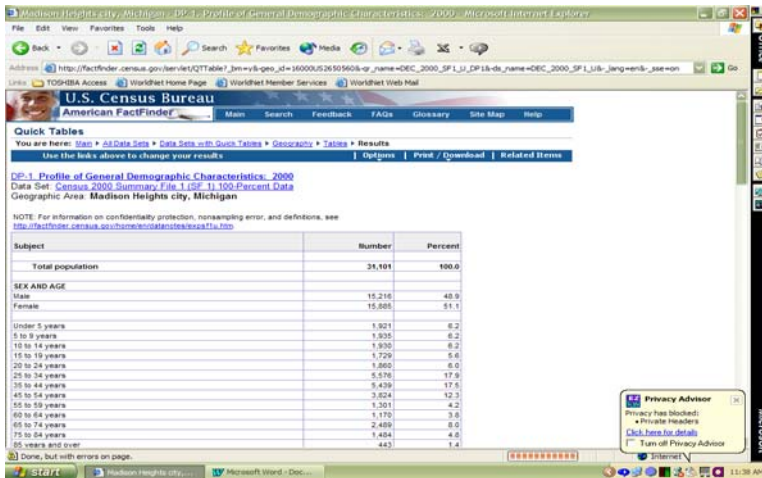

Here you are to enter the **city** you live in. i.e. Warren, Select Michigan as the state. (This helps to narrow the search) It will bring the page below for your city.

Scroll down the page and you will notice the following four characteristic headings:

- ◆ General Characteristics
- ◆ Social Characteristics
- ◆ Economic Characteristics
- ◆ Housing Characteristics

Print this for each of the characteristic, as you will need to input the data as a part of the assignment. (DO NOT copy and paste, the format has been changes to remove blank lines)

Go to the Demographics Assignment and download the word document.

You will notice that a table with this information is present. The data for Michigan and The U.S. is already present, you need to enter the data for you city, township, etc. Do this for all four characteristics.

You will also note that each of the four tables has a series of question you need to answer, answer each of the questions.

It is recommended that you work on this assignment over time, and do not wait until the last minute.
